trifecta (silver)

26.7" x 11.9" x 11.9"
(67.8cm x 30.2cm x 30.2cm)

- Ideal for the Specialty Retail/Bar environment
- Uses an air infusion single cup process that heightens the quality of fine coffees teas
- Saturation of coffee grounds can be controlled to get the percentage of water and pause appropriate for that coffee
- Controlled air is injected into the brew chamber to agitate the coffee at just the right time resulting in a uniform extraction and complex beverage sure to please any coffee lover
- Air presses the beverage through a metal screen that filters out coffee grounds while preserving coffee oils and aromatics for a deep-bodied, unique coffee experience

⚠ Servers and airpots sold separately
